Delores Kowalski has volunteered her time and talents to sew new curtains for the Historical Society House. Bravo!!! The office, kitchen and front bathroom will be all new. The sitting room will have new side panels. The living room will have all new curtains, and is the only room for which we had to buy material. Fantastic!! Delores is also looking for wall paper to match the office(yellow check). Can anyone help?

Front bathroom has been washed and will be painted about the same yellow. Thanks to Steve Czerwicnik and John Tangen. Don Broskowski and Rick Tangen worked on the front bathroom plumbing. Over the winter we lost 2 radiators. All had to be replaced. Thanks to George Hook and Steve Czerwicznik and Laura Hook for their time and cleaning efforts. We had one broken pipe in the basement also. Outside efforts include repairing back fence and putting dirt around edge of house to assist in water run off. Insurance claims have been filed for radiators

The Annual dinner at the B.E. Club in February was a great success. Special thanks to member and State Representative Richard Grobschmidt and State Senator John Flewa who presented the Historical Society and City with a document proclaiming 1985 a year of celebration for the 150 years of settlement along Oak Creek. Thanks to Mayor Grobschmidt for the special programs; Gert Endthoff for the trivia questions; John Bordak for advertising; Laura Hook for reservations; Addie Becker for door prizes; Lynn Rankin for music; Tony Kotchi for paintings; Audrey Czerwicnik and Lois Schreiter for table decorations.

A beautiful rocking chair was donated by Dinesen Furniture which we will raffle between now and July 4th. Our raffle permit has been applied for and tickets will sell for one dollar each.
