FROM THE PRESIDENT

The warmth of Summer has turned to the splendid colors of Fall. Before you know it the leaves will have all fallen and the holidays will be upon us.

Heritage Days at the Museum was an enjoyable time--good to see so many of you! Thanks to all of those who helped with all of the events during the open house weekends.

Our September Pot Luck was a good time too. There was plenty of great food to sample as well as great entertainment. Former Board member Greg Meka showed slides from Germany which centered around the life of Martin Luther. Thanks Greg!

Remodeling work in the Curators office is nearly complete thanks to the hard work done by Greg Meka and Steve and Lois Schreiter. Work should be completed in November.

On November 2nd from 9 AM to Noon, the museum will be open for cleaning. If anyone is interested in helping out with cleaning the museum and its artifacts, please call me. Your help is appreciated. Our holiday events include the Craft and Bake Sale for December 7th and the Christmas Crib display during our Christmas at the Museum on
