The 10th Annual Holiday Tea at the Grant Park Clubhouse was a sell out as usual! Everyone enjoyed the decorations, the food, the raffles, the bake sale... **And again the weather** was just warm enough for some brave golfers to enjoy a round on the course and boost sales at the bake sale!

Thanks go out to members of the South Milwaukee Historical Society and Friends of the Mill Pond & Oak Creek Watercourse, Inc for all their hard work planning, decorating, baking, serving, clean-up...

A huge thank you to the South Milwaukee National Honor Society Students. Without their help things would go a lot slower during set-up, serving and clean-up!

Because of a limit on tickers per order this year we saw quite a few new faces at the tea. Of course we missed our loyal friends from years past but were happy some new folks had a chance to check us out.

*Thanks to everyone who attended. We appreciate your support of our organizations and hope to see you again next year!*

We have a number of new events planned this summer and fall. Of course the old standbys are still on the calendar, Plant Exchange, Garden Tour, Rhubarb Leaf Casting, but we've also set up a bus tour to

Old World Wisconsin on September 16.

Fee is \$46 for adults; \$40 for Children age 5-17.

The bus will leave at 9am and return at 3pm. Lunch will be available in the café or you can bring your own.

Please think about joining us for this self guided tour of the historical farm and village buildings that make up Old World Wisconsin, the world's largest museum dedicated to the history of rural life. As an added bonus September 16 is Oktoberfest at Old World Wisconsin! Enjoy beer brewing and seasonal activities on the German farms.

Space will be limited so be sure to mark you calendar and watch for details in the spring and summer newsletters.

Looking for something different to help pass the time this winter?

How about sorting thru those boxes of photos we all have stashed away in the attic? We're planning a Picture Scanning event on October 7 from 10am to noon. The society is looking for old photos of South Milwaukee that we can scan and add to our archives. We're especially

interested in businesses and buildings like churches, hotels, schools, neighborhood grocery stores and taverns, houses, barber-shops. Do you have any multigenerational family photos?? How about events at Grant Park? Any wedding photos that include a good view of the local hall it was at? Hunt them up, identify the place or

people please, and bring them to us. ALL PICTURES WILL BE RETURNED IMMEDIATELY AFTER SCANNING unless you prefer to donate your originals.

### There's still time....

Be sure to fill out and return the membership form to renew your membership for 2017. You have until the annual lunch to re-up. After that we have no choice but to remove you from our member list.

We were saddened by the closing of the Bucyrus Heritage Museum this past December. The Society sent a request to Caterpillar Inc. offering to exhibit items especially those from the early days of Bucyrus Erie and now we're hoping for the best.

Due to declining attendance at the Spring & Fall Potluck meetings the board has decided to discontinue them. For 2017 all meetings, with the exception of the February Annual Luncheon, will be held at the South Milwaukee Library on the 2nd Monday of every month. Meetings begin at 6:00 pm and everyone is welcome to attend.
