

## ANNUAL DINNER

Mayor Jim Shelenske presented Society president Richard Thinnies with a proclamation in recognition of our 50th Anniversary.

Great crowd, great food and a wonderful program by Bob Jelinek, director of the Bucyrus Museum, titled "Bucyrus & South Milwaukee—Early Growth Together".

Bob Jelinek also presented us with a certificate and a donation from the BE Museum and Skyline Catering for our work on the display cabinets in the event center. Stop by and check them out!
